

DEL RIO
Cabernet Sauvignon
2006

Our 100% Estate grown Cabernet Sauvignon has a deep black currant color. Aromas of prune, raisin and smoked oak, with a touch of licorice notes. On the palate, this full bodied wine is well balanced, with good acidity and young tannins, showing its aging potential. Pair with steak or dishes with a heavy butter cream sauce. We also recommend a variety of cheeses, such as cheddar, mozzarella & brie. Enjoy now or cellar for the next 4-6 years.

Silver Medal
2009 Jerry D. Mead's NWIWC
