## **TASTING NOTES**

Delightfully pink, with a fragrance of honeysuckle and roses, this delicately sweet wine is the perfect partner for summer fun! Aromas leap out of the glass in an explosion of peach and tangerine. The flavors of citrus balance well with the aromas, and a slight spritz completes this fun wine.

## **VINTAGE NOTES - 2009**

The midsummer's heat wave really accelerated the sugar development of the 2009 vintage and resulted in an early start of harvest. The dry harvest gave way to cooler than expected conditions in late September, delaying the picking of our reds. Fortunately, the majority of the fruit was already near to full ripening, which led to fruity well-balanced white wines and structured reds.

## **FOOD PAIRING**

Wonderful with fresh fruits and Thai or other spicy fare.
